

# Provide First Aid

**HLTAID003**

---

## Course Overview

This course provides the skills and knowledge required to provide first aid response, life support, management of casualty(s), the incident and other first aiders, until the arrival of medical or other assistance.

## Course Structure

This unit describes the skills and knowledge required to provide a first aid response to a casualty.

The unit applies to all workers who may be required to provide a first aid response in a range of situations, including community and workplace settings.

The theory component of First Aid will be completed at your own leisure before the course date.
