

Certificate III in Individual Support

CHC33015

Course Overview

This qualification reflects the role of workers in the community and/or residential setting who follow an individualised plan to provide person-centred support to people who may require support due to ageing, disability or some other reason. Work involves using discretion and judgement in relation to individual support as well as taking responsibility for own outputs. Workers have a range of factual, technical and procedural knowledge, as well as some theoretical knowledge of the concepts and practices required to provide person-centred support.

Career Opportunities

- Personal Care Worker
- Home Care Worker

Entry Requirements

- Police check
- It is recommended that students are over 18 years of age
- A written application form, interview and Literacy & Numeracy Assessment.
