

# Grass Roots Learning - English Language

## Overview

Gippsland Employment Skills Training (GEST) is a community based training organisation. We have developed an English Language Learning program to help you build your English language skills.

## How can we help your English?

We are delivering **two programs** that we believe are a helpful, positive and stress-free learning experience.

### Computer Assisted Language Learning Program:

This program will help you practice your reading, spelling, listening and pronunciation skills, all at your own pace and in your own time.

### When are classes held?

Wednesdays, 10am - 3pm

### Using English in the Community

This program will help you practice using your English language skills to assist you in your daily community activities.

### When are classes held?

Tuesdays, 10am - 3pm
